## Skills & Expertise

Education included 3 year Business Courses at University of Texas at Dallas. Microsoft certificates for Windows 10 and Office 2019. As IT support for Tackle Tomorrow, I oversee the maintenance, upgrades, and support of all staff and Community Technology. My ESL/Computer Classes are always at capacity, which speaks of my ability to attract and inspire my students.

ESL/Computer Instructor including:

1. Virtual Classes of 45 adult students. 25 students in ESL and 20 students in Computer classes.
2. Classes Monday thru Thursday 4 hrs. Including 2 hours of intervention.
3. Textbook – Project Success Intro. This course prepares adults for self-sufficiency in the three principal areas of their lives. The work place, the community and the home.
4. Syllabus provided for each semester.
5. Pre and Post- tests for students.
6. Ten units, test after unit 5 and 10.
7. Provide extra grammar in reading and writing.
8. Provide technical support for the Community. Prepare donated computers for the community. Load all the necessary software the students need for ESL and Computer Classes.
