

Sharon Everett-Washington- a proud graduate of the University of North Texas where I received a Bachelor of Arts Degree and Master's from Dallas Baptist University in School Counseling, Special Education and a Master of Education Administration from Texas A&M University Commerce. I had the honor and privilege to serve Dallas Independent School District for 33 plus years. During the time with the district, I served as a second and third grade teacher and a middle school counselor for over 20 years. I am excited to have the opportunity to work for Tackle Tomorrow and to serve the Blair Campus as a reading coach.
